★★★★★ As a kid growing up in this general area, I ate a lot of Chicken Mary's during the 80s. Since my teens, I hadn't had it. My dad and stepmom rave

★★★★★ This resturant has awesome food.  
Reminds you of chicken dinners after church at Grandma's.  
This resturant is better than Annie's in the same town.

★★★★☆ Food is good overall. Onions rings are really onions straws and the fries come unsalted. Very good chicken though!!

★★★★☆ The chicken tenders were pretty good. I wouldn't recommend the German potato salad and vinegar coleslaw... wasn't that great at all.. had one bite and was done. The onion rings were awesome though!
